Me, give up the "good" life? Not in a million years!

In 1989, Claire Schaefer was living the "good" life, but that was about to change. Leaving the sandy beach in Santa Barbara for the rocky ground of Medjugorje was an excursion that changed her life forever. It was there that Jesus invited her to carry His Cross. She and her husband Bob returned from this pilgrimage, changed people. They gave up their flamboyant lifestyle for full time ministry! They founded Queenship, one of the largest Catholic publishing houses today. Through their example, the family experienced conversion and received many miracles of healing, both physical and spiritual. Claire is a Third Order Carmelite and devoted to the Eucharist. Mary is her role model and she strives to live out her virtues. She is the mother of four children and manages a vibrant ministry consecrated to the Blessed Mother in service of the Catholic Church. Claire's testimony will build up your faith in the Almighty One. She is an example of how an ordinary woman, filled with extraordinary grace, can be a chosen vessel of the Holy Spirit. ☩
